

IN THE SPECIFICATION

Please replace the paragraph beginning at page 1 line 4 with the following rewritten paragraph:

--The present invention relates to a golf ~~practising~~ practicing device, and more particularly to a golf ~~practising~~ practicing device having a displaying device for showing or displaying the moving or the positions of the ball.--

Please replace the paragraphs beginning at page 1 line 9 with the following rewritten paragraphs:

--Various kinds of typical golf ~~practising~~ practicing devices have been developed for allowing the users to ~~practise~~ practice swinging or putting at home. However, none of the typical golf ~~practising~~ practicing devices provide a splaying device to display the positions or the movement of the golf balls along the golf court.

The present invention has arisen to mitigate and/or obviate the afore-described disadvantages of the conventional golf ~~practising~~ practicing devices.--

Please replace the paragraphs beginning at page 1 line 19 with the following rewritten paragraphs:

--The primary objective of the present invention is to provide a golf

~~practising~~ practicing device including a displaying device for showing or displaying the moving or the positions of the ball.

In accordance with one aspect of the invention, there is provided a golf ~~practising~~ practicing device comprising a base including a first end for supporting a ball to be swung or put by users,--

Please replace the paragraphs beginning at page 3 line 16 with the following rewritten paragraphs:

--FIG. 1 is a perspective view of a golf ~~practising~~ practicing device in accordance with the present invention;

FIG. 2 is a top plan view of the golf ~~practising~~ practicing device;

FIG. 3 is a partial exploded view of the golf ~~practising~~ practicing device;

FIG. 4 is a perspective view illustrating the other embodiment of the golf ~~practising~~ practicing device;

FIG. 5 is a flow chart illustrating the operation of the golf ~~practising~~ practicing device; and

FIGS. 6, 7, 8, 9 are plan views illustrating the pictures or the views or the scenes displayed on the displayer of the golf ~~practising~~ practicing device.--

Please replace the paragraph beginning at page 4 line 3 with the following rewritten paragraph:

--Referring to the drawings, and initially to FIGS. 1-3, a golf ~~practising~~ practicing device in accordance with the present invention comprises a base 10 having a course upper surface for simulating the golf court or the green of the golf court.--

Please replace the paragraph beginning at page 5 line 4 with the following rewritten paragraph:

--A housing 30 may be disposed on one end of the base 10, particularly disposed on the end distal to the end that is provided for swinging or putting ~~practising~~ practicing purposes.--

Please replace the paragraph beginning at page 6 line 24 with the following rewritten paragraph:

--The users may then ~~practise~~ practice swinging or putting or the like, at 74, in order to force the ball to move through the base 10 and/or toward the housing 30.--

Please replace the paragraph beginning at page 7 line 24 with the following rewritten paragraph:

--The users may then dispose the ball on the end of the base 10, distal to the housing 30, at 72, for ~~practising~~ practicing the other or the further swinging or putting operations.--

Please replace the paragraphs beginning at page 8 line 5 with the following rewritten paragraphs:

--The users may thus ~~practise~~ practice swinging or putting by viewing the screen 51 of the displayer device 50.

Accordingly, the golf ~~practising~~ practicing device in accordance with the present invention includes a displaying device for showing or displaying the moving or the positions of the ball.--
